

Hertfordshire

LOCATION

Located to the north of London, much of Hertfordshire is part of the London commuter belt. Our apartments are located around the A1(M) corridor area of Hertfordshire including Hatfield, Welwyn Garden City, St Albans, Stevenage, Hitchin, and Letchworth, with future plans to grow beyond this.

Hertfordshire is known for housing the headquarters of many large UK companies including Tesco, GlaxoSmithKline and DSG International. Other points of interest: The world's first Garden City, Letchworth Garden City is in Hertfordshire, as are Hatfield House, Knebworth House and Verulamium (Roman town remains).

Our apartments are all positioned in areas that are well connected to London with trains running from Euston, King's Cross, Marylebone, Liverpool Street and Moorgate. Journey times are approximately 30-54 minutes in length.

Main roads passing through Hertfordshire include: A5, A6, A41, M1, M11, A1(M) and the M25. Surrounding counties are Essex to the east, Buckinghamshire to the west with Bedfordshire and Cambridgeshire to the north.
